**Question 004:**

Size of potential ESP procurement. SCE and AReM are working on this information that will be submitted to staff by July 14.

**Response to Question 004:**

The estimated size of ESP procurement is provided in the attached table. (Note: AReM approved preliminary version of this response but has not yet approved the final version. In the interests of getting this to you by the date requested, SCE is sending it today. If there is any change based on AReM's final review, we will modify this response.)
